Insulink Packaging Solutions Pvt. Ltd.

Insulink Packaging Solutions Pvt. Ltd. is an ISO 9001 : 2015 Certified Company in the field of Design, Development and Manufacturing of Vacuum Formed Blister, Automotive Parts, Packaging Trays, Polybags and Paper Bags.

Product manufacturers and e-commerce retailers, look up to our company from design to manufacturing Vacuum Forming, Blister and other Packaging Solutions. Since its inception in 2009, we have the drive to provide suitable and optimized packaging solutions to our customers to improve their productivity, streamline operations, reduce “Process Waste” & “Field Returns”. This drives down the manufacturing costs while delivering Quality products on time and safely to their end customers.

We provide single window solution for packaging Design & Manufacturing

Design  
Studio

CNC Tool  
Room

Sheet  
Extrusion

Vacuum  
Forming

Poly Bags

Paper Bags

Blown Film

### WHY CHOOSE US ?

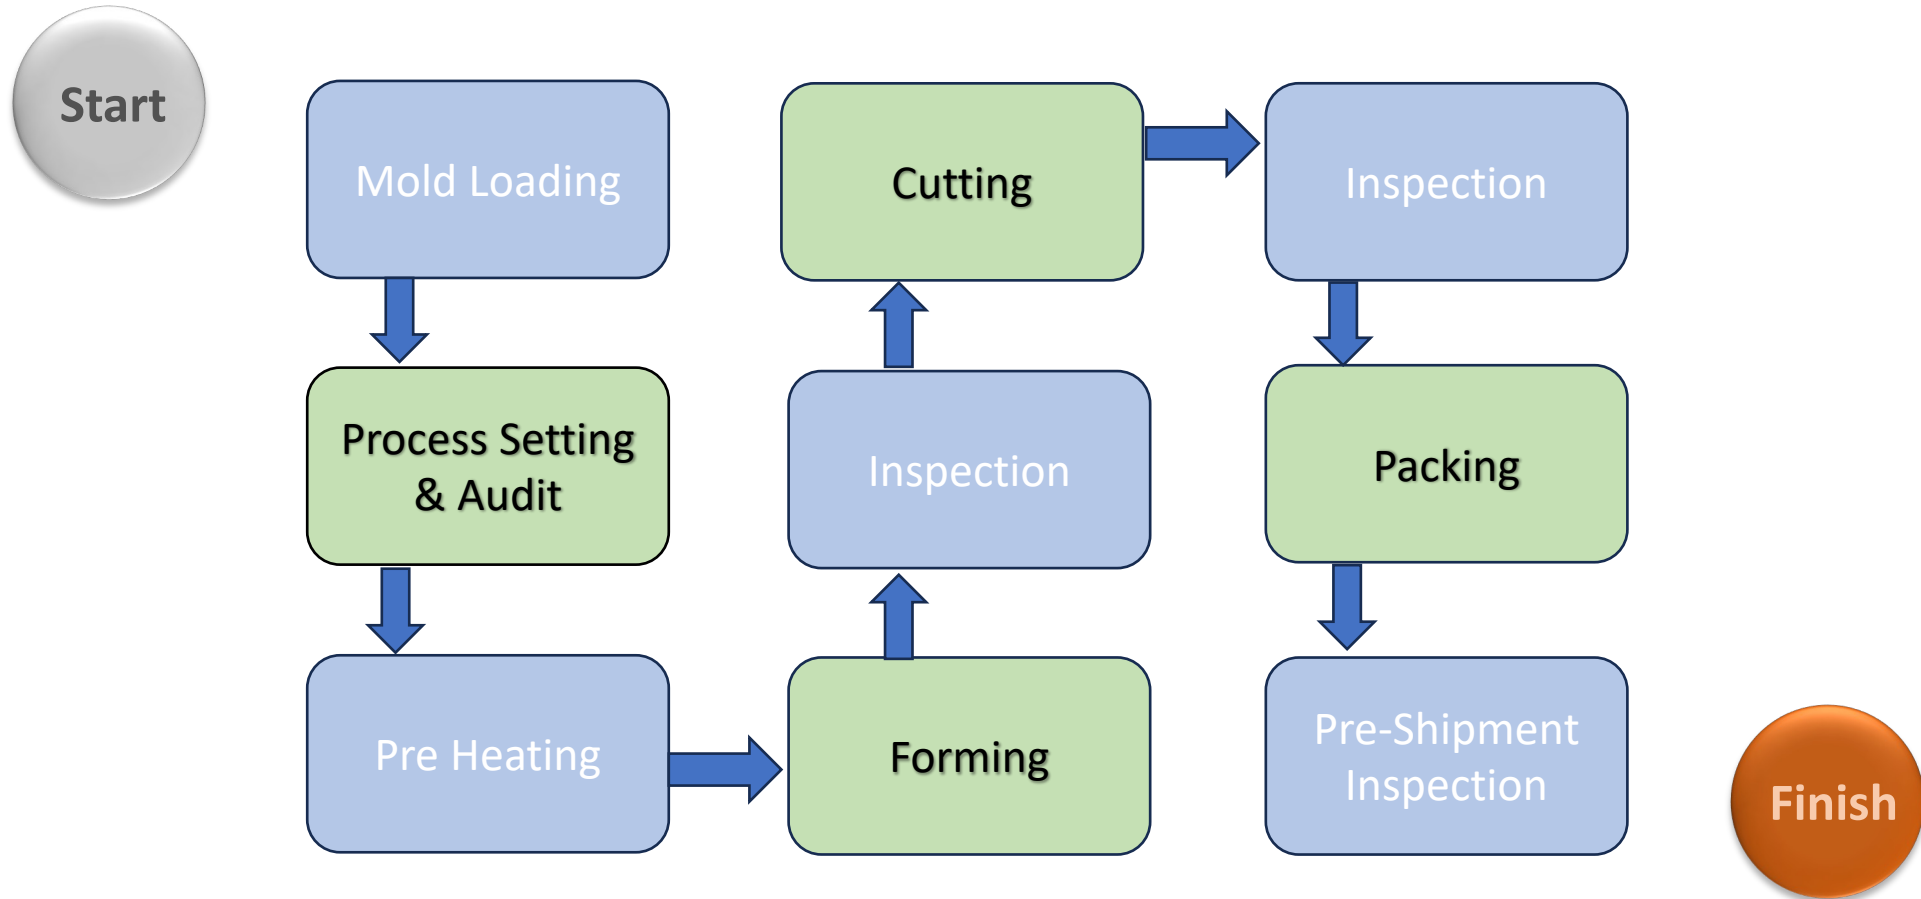

1. **In House CAD Designing Studio** ensure **Speed & Agility** in over-all development & Manufacturing Processes
2. **In-House CNC Tool Room** ensures lower development time for prototypes as well as “Mass Production”.
3. **ISO 9001 : 2015 Quality Certification** Ensures that the manufacturing processes are conforming to the required standards
4. **Technical Understanding** : Our Experienced & Professional Design / Manufacturing Engineers understand Customer's requirements and adjust our manufacturing processes accordingly.
5. **Cost** : We offer Most Competitive Pricing to enable our customers to achieve their cost targets.
6. **Customer Service & Client satisfaction** comes first in the list of our priorities

## ISO 9001 : 2015 - Certificate from TUV NORD; DUNS Certificate

Quality Process Certifications ensures timely delivery of right quality products to our customers.

## Blister / Thermoforming / Vacuum Forming : Production Process Flow

## Blister Packaging / VF / Thermoforming : Process Capabilities

### Blister Packaging - Thin Sheet

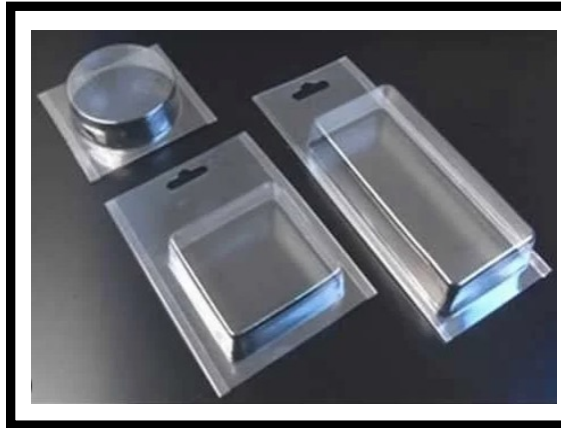

Material Type	Length (In mm)		Width (In mm)		Thickness (In mm)		Color Customization*	Customized Cutting
	Min	Max	Min	Max	Min	Max		
Polystyrene - PS / HIPS	25	600	25	670	0.2	2.0	✓	✓
ABS	25	600	25	670	0.2	2.0	✓	✓
PP	25	600	25	670	0.2	2.0	✓	✓
PET	25	600	25	670	0.2	2.0	✓	✓
HDPE	25	600	25	670	1.0	2.0	✓	✓
PVC	25	600	25	670	0.4	2.0	✗	✓

\* Subject to MOQ

### V.F. / Thermoforming - Thick Sheet

Category	Material Type	Length (In mm)		Width (In mm)		Thickness (In mm)		Color Customization	Customized Cutting	Anti - Static	Conductive
		Min	Max	Min	Max	Min	Max				
Thick Sheet	Polystyrene - PS / HIPS	50	2500	50	1500	2.0	6.0	✓	✓	✓	✓
